### How to play:

1. Plot all of your equipment using the **yellow** magnets and the equipment key above on "Our Equipment" board. Equipment must be horizontal or vertical — not diagonal. Equipment may not overlap.
2. On your turn, pick a question. If you answer it correctly, you may fire upon the other team's equipment. Mark your shots on "Their Equipment" board. Hits are marked with a **green** magnet and misses are marked with a **red** magnet. If you answer incorrectly, it's the other team's turn.
3. When the other team fires upon you, say "hit" or "miss" and mark your hits with a **red** magnet and misses with a **green** magnet. When your equipment is blown up, you must say, "You blew up our \_\_\_!" (Fill in the blank with the type of equipment).
4. The first team to blow up all of the other team's equipment wins!
