

New Student Introduction: Scott Kennedy

MS Student
Expected Grad.: Spring 2022
scottkennedy@mymail.mines.edu

- I'm from Jackson, Mississippi.
- I received my undergraduate degree in Geological Engineering from the Colorado School of Mines in the spring of 2020.
- I have worked as a fly-fishing guide and fly-shop employee since the summer of 2015 in Island Park, Idaho and here in the Front Range.

Hobbies

Undergraduate Projects

- CSM field camp
- Petroleum exploration design – Paradox and Carnavron basins
- Fluvial sedimentation and trout habitat

Graduate Thesis Project

- Outcrop analysis of the Semilla Sandstone of the San Juan Basin

The week 6 Field Camp crew at Dinosaur National Monument
